

Russian Ferro-Alloys International Conference

Dear colleagues!

Please be invited to take part in the Third International Ferro-alloys Conference – a yearly event dedicated to the problems and prospects of ferro-alloys production.

The conference is organized by MinPromEnergo, the International Metallurgists Union, the government of Sverdlovsk region, the Russian Academy of Sciences, FGUP CNIIChermet, OJSC "Managing Company "Russian Super Alloys". Scientists, leading employees, metallurgists, representatives of metallurgical and mining plants of Russia, CIS, Europe and Asia will take part in the work of the conference.

The conference will take place in Moscow in the conference centre of the World Trade Centre on September 10-12, 2008.

It is planned to discuss the following themes:

- § Competitive Russia, world metal products markets;
- § Ferro-alloys, steels, special alloys: dynamics of production;
- § New modern material- and energy-saving technologies, advanced equipment;
- § Original alloying methods using ferro-alloys;
- § Improvement in quality and competitive ability;
- § Cooperation between ferro-alloys plants, economics, pricing policy forecast;
- § Mineral base, perspective concentration technologies;
- § Recoverable industrial materials for principal product;
- § Ecological and social problems of ferro-alloys industry;
- § Strategic management models and arrangements for promoting investments;
- § Monitoring export/import structure of ferro-alloys and cooperation with users;
- § Dumping prices, the new REACH trade legislation in commercial exchange with the EU countries.

Co-chairmen of the steering committee: S.V.Kolpakov, V.M.Lavrishev, L.I.Leontiev, S.I.Gilwarg.

Partners: OJSC "Serovsk Ferro-alloys Plant", OJSC "Managing Company "Russian Super Alloys", OJSC "Kluchevsky Ferro-alloys Plant", LLC "Negus Expo", CJSC "United Ferro-alloys Systems".

Information support: magazines "Stal", "Ural metal market", "Regions of Russia".

Informational partner: OJSC "Managing Company "Russian Super Alloys".

We invite the participants to make presentations/poster presentations. The theses of the papers will be published in the "Stal" magazine № 8 in 2008, that issue will be given to each attendee.

Theses for publication should be received not later than July 10, 2008 by the e-mail:

stal@imet.ru (fax: +7 (495) 755 90 40).

Sponsors have an opportunity to attract attention to their companies with the help of sponsors' arrangements.

The hotel in the conference centre complex will be booked only upon execution of application and organizational fee transfer before August 8, 2008.

Organizational fee (exclusive of hotel) before June 1, 2008: 1000 euros, later: 1100 euros (including VAT) for each attendee. Office lease, transportation, information materials, lunch, dinner, coffee breaks make part of this amount. The reservation of conference/meeting rooms is also possible at your desire.

Look for the conditions of participation on the websites:

www.imet.ru, www.ufas.ru, www.kzf.ru, www.expoclub.ru

Please forward attendance requests to:
